Crepaco Stainless Steel Vibratory Feeder. Model: V-2. S/N: V2-D-0126. Electrical requirements: 110 V single phase. The Crepaco V-2 Dry Ingredient Vibratory Feeder continuously meters dry ingredients ranging in capacity of a few ounces (grams) to approximately 30 lbs per minute and may be varied during operation to match changing production requirements. Applications include: flake coconut, raisins, peanuts, marshmallows, nuts, seeds, cut dry fruit, granular salt, dry soup, condiments and almost anything else that is a dry granular ingredient. The V-2 is compact and portable.

If you require any further information or you would like to place an order do not hesitate to contact me.

Best regards

Phil Doxey
